

## 2022 STUDENT RESOURCE SCHEME

In accordance with the *Education (General Provisions) Act 2006*, the cost of providing instruction, administration and facilities, or the education of students enrolled at State schools are met by the State. A parent/carer is directly responsible for providing textbooks and other personal resources for their children while attending school. In recognition that these costs can be high, Freshwater State School operates a Student Resource Scheme (the "scheme") that requires a parent/carer to enter into an agreement with the school for a specific annual participation fee which provides for the temporary use by the students of a prescribed textbooks and/or other resources, and/or purchase of consumables and materials for the student.

These fees, also referred to as the Levy, or School Fees, are fully endorsed by our Parents and Citizens Association.
