

2019 Bookpacks

The materials on your booklist have been divided into two sections for ease and flexibility. All items listed in both sections are required for the year.

1. **BOOK BUNDLE** – contains consumable items and materials required for the first time. **This is sold as a set bundle and can only be bought complete.**

2. **RETAINED or SPECIAL ITEMS** – These items are generally longer lasting and may have been retained from the previous year or handed down by an older sibling. Alternatively it may be a “Special” item that a child might like to choose for themselves e.g. pencil case. **These items can be bought individually WITH your Book Bundle if you don’t already have them.**

Individual items
are only available for purchase with a Book Bundle
