Invite Xplorer

Invite a family member to your child's profile.
The Xplorer will have full access to view your child's profile, however, they will not be able to comment or like observations.

Step 7. Complete

This will trigger an invite email to the Xplor who can set up their password. Then use their email and password to sign in and out of the HUB. Ask a staff member to assist for the first time using the HUB.

Yours Sincerely, Freshwater OSHC team.
